

manque juste mon ingrédient secret...

on verra bien si ça rend bien le gâteau meilleur...

Je suis mort ?
Je suis où ?
Pourquoi fait-il noir ?

Je vais t'expliquer ce qui t'est arrivé... T'es mort puis tu t'es réincarné dans un autre monde. Et tu devras réussir à survivre parce qu'il y a des monstres qui raffolent de la chair humaine. Après, si tu veux mourir pour de bon c'est autre chose...

C'est compliqué tout ça... réincarné... monstre... comment ça ils raffolent de la chair humaine? Effrayant... Et je t'ai rien demandé pour que tu commences à raconter je ne t'ai rien demandé! Et t'es qui d'abord? Comment tu sais que je suis mort et que je me suis réincarné?
